- EEC Fee is determined by cross-referencing Republic Services' EEC Fee Table with the peak weekly diesel price per gallon, published in the 30-day period ending on the 15th of the month, as reported by the U.S. Department of Energy Information Administration "On-Highway Diesel Fuel Prices" index.

- Any price below $1.50 per gallon the EEC Fee rate will remain a flat 12.03%. The table will be expanded to include fuel prices above $7.37 if required.

- The EEC fee table may be changed at the discretion of Republic Services
